

# 1st AUGUST 2009 HELLIFIELD GALA RACES 3.5MILE/800FT

INCORPORATING THE

14<sup>th</sup> YORKSHIRE JUNIOR FELL RUNNING CHAMPIONSHIP Sponsored by Burton Safe Ltd

After a very dismal and wet July, August 1<sup>st</sup> dawned dismal and wet, no surprise there! But it being Yorkshire day the weather had to improve and it brought out the crowds for the 40<sup>th</sup> anniversary of Hellifield village gala. The bubbly Coronation Street star Vicky Binns, who plays Molly Dobbs in the ITV soap opera Coronation Street added even more sunshine, and she played her part by signing autographs, chatting to everyone and even starting some of the fell races which incorporated the 14<sup>th</sup> Yorkshire Junior Championships. Vicky being a keen runner herself with a 10k pb of 49 minutes took a great interest in the sport of fell running, and by the end of the afternoon was cheering on the finishers with the families and crowds at the finish line. All the races attracted record fields and some new course records, 30 eager under 10 athletes set off the days racing, with first back in a record time being Jake Steade from Dark Peak Fell Runners who took 4 seconds off the course record, not to be outshone, 7 year old Alex Baker did better by taking 5 seconds off Issy Wharton's 2 year old time. Although this is a non championship event, these 2 were rewarded with tins of Quality Street from the sponsors Burton Safe Limited, as well as their normal race prizes, because we like to encourage them from a young age in Yorkshire. The championship kicked off with 28 under 12 runners being sent on their way by Vicky Binns, who was amazed at where they were running to - the summit of The Haw and back. Getting faster and faster over this course, 2007 U12 bronze medallist, Phil Done won the John Taylor stained glass window trophy and gold medal, and in the process just missed James Hall's record by 2 seconds. Wakefield's new signing Sam Convery had the edge in the sprint over Edan Whitelaw to take silver, a vast improvement on 8<sup>th</sup> last year! Triathlete Abby Mae Parkinson now running for Spenborough AC had the audacity to take 7 seconds off team mate Emma Wilkinson's course record finishing 8<sup>th</sup> overall and taking the Yorkshire title, ensuring that Spenborough AC hold on to the U12 perpetual trophy since Emma has had it for the last 2 years. To top the day Abby even had the senior field sing her 'Happy Birthday' before she as the starter sent them on their merry way. 2 years ago Issy Wharton won the U10 girls race, and last year finished 5<sup>th</sup> girl in the U12 race, this year however she knocked over a minute off her time, but more importantly collected the silver medal for her efforts. Third in the race was Maddie Awam all the way from Bath, so the Yorkshire bronze was won by a delighted Hannah Thom. Although doing different distances the U14 & U16 athletes were set off all together by Vicky Binns, and 10 minutes 33 seconds later new course record holder and newly crowned Yorkshire U14 champion William 'King' Smith stormed across the finish line, with Max Wharton and James Hall in a ferocious sprint just 2 seconds behind. No quarter was given by these two, but Max 5<sup>th</sup> for the last 2 years, wasn't going to be denied the silver medal, even though James is twice U12 Yorkshire champion. Close finishes seemed to be the order of the day, only 3 seconds separated the first two girls Becky Mills of Scarborough AC came from behind to snatch the gold from Wakefield's Annabel Mason, Becky follows club mates Abbie Johnson and Alex Wheatman who have already had their hands on the Sarah Rowell perpetual trophy. U14 BOFRA champion Pippa Barrett had to settle for the bronze medal, and didn't relish the course favouring more the steeper rougher fell races. On his first outing to hunt a Yorkshire title down, Marc Scott from Richmond & Zetland came home triumphant winning the Ian Holmes trophy and gold medal, with Sean Carey 2<sup>nd</sup> and last years U14 champion Richard Powell taking the bronze. Winning her 4<sup>th</sup> Yorkshire title the irrepressible Rosie Hellowell took gold and with Erika Carter and Annie Roberts silver and bronze medallists, it was a Keighley and Craven whitewash. 69 seniors including 7 U18's set off to tackle The Haw then Newton Moor Top and back, with Blackburn Harrier Peter Matthews having the strength to beat England junior international Billy Pinder by 5 seconds, Billy's consolation was he won the Jack Maitland Yorkshire U18 trophy. Another junior international, Jonathan Bradshaw the Ambleside Sports U17 winner finished 3<sup>rd</sup> and collected the Yorkshire silver while 2008 BOFRA champion Thomas Sessford the twice U16 Yorkshire champion won bronze finishing 7<sup>th</sup> overall. British U23 FRA champion Lizzie Adams won the £30 ladies prize money finishing 10<sup>th</sup> overall in a fast time of 27-23, county schools champion and fresh from a 3000m pb of 10min 11.55secs at the English schools track and field championships, Becky Lambson won the U18 ladies championship and set a new U18 record of 29.01. Former record holder and last years champion Jenny Dybeck of Ilkley Harriers took the silver, and just as importantly beat dad Nick by an impressive 1 minute 30 seconds. Besides all this racing there was a packed day of entertainment where in the large marquee, Circus Jim enthralled the kids with his act, and music was provided by local singers Jane and Stan along with the Saggy Bottom Boys. Outside on the field Tricks 4 Treats put on a dog display along with the usual egg throwing, children's races and show ground attractions make this a 'Grand day out'. A big thank you must go to everyone who helped make this a successful Yorkshire day, but a very special thanks must go to Hilary and Norman Berry of Burton Safe Limited our Yorkshire sponsors. One of the best sights of the day however is seeing not only kids, but mums and dads trying desperately to catch chocolate in the traditional finale, that is the chocolate throw out. **Quote of the day must go to Emily Cox who finished 2<sup>nd</sup> girl in the U10 race - 'Dave's still throwing chocolate out and my hands are full, i just can't catch anymore. I'll just have to get a top with pockets in for next year!'** Or maybe the organisers should cut back on the chocolate throw out, give us your feed back kids.
